

PARTNERED WITH  **TRADE TRAK**

SMALL BUSINESS DIGITAL ADAPTION PROGRAM

Trade Trak has been selected by the Victorian Government to be a participant in the Small Business Digital Adaption Program. This important \$20 million program is designed to help small businesses adapt to the digital operating environment.

Any Victorian business that registers for the program and signs up for Trade Trak by the 30th of June will be able to apply for a reimbursement of \$1200, which can be used on the app within 12 months. You can view the full details on the program and business eligibility [here](#).

SBDAP DEAL

To help businesses make the most of their reimbursement, we're offering a special deal for all program participants. With your \$1200 rebate, you can purchase the SBDAP deal and receive:

- **Our full 8 week training and onboarding package**
This includes data entry for clients, suppliers, and users, account set up and bespoke training, customised to suit your business
Usually charged at \$1000 + GST
- **Support while you transition from your existing business package**
Have access to your own Trade Trak representative for 12 months, and receive priority support through our chat
- **Automatic upgrade to our advanced quoting & quoting optional extra**
For 12 months, you'll be able to add margins, discounts, and customise your quotes at no extra cost.
Usually charged at 10 job credits per month (\$120 + GST)
- **Your choice of 10 templates from our safety and infield support store**
Choose from templates for reports or SWMS and have them added straight to your account.
Usually charged at 20 job credits per template (\$200 + GST)
- **200 free job credits**
With no expiration date - they're yours to use on creating jobs, projects, sub-jobs and recurring jobs, or use them for purchasing extra templates.
Usually charged at \$200 + GST

RECEIVE \$1672 (INC. GST) VALUE AT NO COST TO YOUR BUSINESS
