

PARTNERED WITH  **TRADE TRAK**

## SMALL BUSINESS DIGITAL ADAPTATION PROGRAM

Trade Trak has been selected by the Victorian Government to be a participant in the Small Business Digital Adaption Program. This important \$20 million program is designed to help small businesses adapt to the digital operating environment.

Victorian businesses that register for the program and sign up for Trade Trak, or upgrade their current account, prior to the 5th of December, will be able to apply for a grant of \$1200, which can be used on the app within 12 months. You can view the full details on the program and business eligibility [here](#).

### SBDAP DEAL
